Athletic Recruiting

DEVELOPING COLLEGE & WORK PROGRAMS
FOR 9-12th GRADE STUDENTS

CN²

Who we work with

Sports Programs, Student Athletes

With over 25 years of athletic recruiting, we've built a network of elite Post Graduate, Junior College and Division 1 athletic coaches to help our student-athletes get recruited. Our recruiting platform provides coaches and parents with a clear picture of how their student-athlete is progressing academically, athletically and with being recruited.

We handle the entire college recruiting process for families including finding the right fit academically and socially for students.

Athletic Recruiting

Do you want to earn an athletic scholarship to play Division 1 sports?

As former college and professional athletes, we understand the recruiting process can be overwhelming for students and their parents. Since 1995 our team of counselors have helped over 300 student - athletes get recruited and earn scholarships to attend college. We handle the entire college recruiting process for families including finding the right fit academically and socially for students.

Acceptance Letter

Dear Kaylin,

On behalf of our faculty, coaches, and staff at IMG Academy, I am pleased to offer you admission into the Post Graduate Program for the 2016-2017 academic year, which begins on Monday, August 22, 2016. You soon will join an elite group of student-athletes from around the world, all of whom are chasing their dreams to be the best.

This offer of admission is contingent upon satisfactory completion of secondary school and receipt of an official transcript from each high school of attendance. IMG Academy must be provided with proof of graduation prior to your start in our Post Graduate Program. You will be considered a post graduate only if you have graduated high school.

Within five business days, you will receive a separate email from our Enrollment Coordinator. The email will outline the next steps in the enrollment process and will include the Tuition Enrollment Agreement (TEA), which will provide a breakdown of all tuition, deposits and fees for 2016-2017.

The post-graduate options at IMG include:

1. Post Graduate High School: This is available to students who have graduated high school no more than 12 months ago and who have not started a college program.
2. Post Graduate College: This program is offered through the University of South Florida and is available only to U.S. citizens or permanent residents.

If you have questions about which Post Graduate Program is most appropriate for you, please contact the PG Program Manager at admissions@img.com.

On behalf of our entire IMG family, I extend both a warm welcome and best wishes for your success. I am confident that you will make a valuable contribution to the tradition of excellence in academics, sport and service at IMG Academy!

Sincerely,

Sabira S. Pacheco,
Director of Admissions

High School and Post Graduate School Enrollment

Finding the right school is one of the most important decisions your family will make. A correct choice will enrich and enhance your student's life and can change his or her trajectory in life. Finding the right fit, however, can be daunting. That is where a CN2's consultant plays a vital role. We will help you find the best environment for your student's educational, social and person growth.

With an extensive network of top performing private and public high schools we can broaden the potential choices, and provide vital help in weighting factors such as cost, location, curriculum and athletic programming.

In addition, we take into consideration issues such as learning differences, behavioral problems, and help your family identify the learning environment that best suits the individual needs of your student. We offer unbiased help in evaluating the pros and cons of every institution, understand admission standards and criteria, and help sort through the glut of information that can be overwhelming.

Find the right school!
